

# Fall 2002 School Accountability Results - St. Mary Parish

## School-Level Table

### Explanatory Notes

- <sup>a</sup> - **Column A:** School went into Corrective Actions I during Cycle I because its 1999 SPS was less than or equal to 30.0.
- <sup>b</sup> - **Column A:** A magnet school is defined as a school having academic entrance requirements (e.g., GPA, test scores). These requirements apply to the entire school, encompassing all grades.
- <sup>c</sup> - **Columns E and G:** Numbers in parentheses are negative numbers.

The Louisiana Department of Education has established guidelines within the Accountability System to allow schools to appeal their accountability results.

| A                                 | B                               | C                   | D                  | E                                  | F                    | G  | H                  | I                          | J                                    |
|-----------------------------------|---------------------------------|---------------------|--------------------|------------------------------------|----------------------|--|--------------------|----------------------------|--------------------------------------|
| School Name                       | Grade Configuration (2001-2002) | Baseline SPS (2001) | Interim SPS (2002) | Growth <sup>c</sup> (2001 to 2002) | Growth Target (2003) | % Progress <sup>c</sup> Toward Growth Target (E/F X 100) | Corrective Actions | Growth Label (2001)        | Performance Label (2001)             |
| <b>Elementary/Middle Schools</b>  |                                 |                     |                    |                                    |                      |  |                    |                            |                                      |
